DEMOLITION APPROVAL PROCEDURE

DESCRIPTION

1. The owner is responsible to shut the water off at the curb stop and disconnect the service at the main.
2. Depending on the size of the service the Southington Water Department will determine if the abandoned service shall be cut and capped at the water main.
3. A Southington Water Department inspector must be scheduled to remove the meter from the structure and record the final reading.
4. Any outstanding payments must be paid in full prior to issuance of the demolition letter.
5. A Southington Water Department inspector must be present to inspect the disconnection of the service at the main.
6. Once the previously mentioned steps have been completed, a demolition approval letter will be submitted to the Southington Building Department.
