AGREEMENT FOR TEMPORARY CONSTRUCTION METER

The Southington Water Department will set for a customer/contractor a 3/4" meter with a 3/4" R.P.D. and hose bib outlet. The customer/contractor must supply a service connection. The connection must be in a secured, insulated or heated area.

Under this agreement, a \$400.00 deposit is required. From this deposit, the cost of the water used, labor to set and remove the meter, and test the RPD will be deducted. Upon removal and return of the meter and R.P.D, the final cost will be determined. Any difference in the total costs will be billed or refunded.

Please note any cancellation of an appointment or set or remove a meter must be made by 3:00 pm the day prior or a \$70.00 charge will be incurred.
